*****We believe that a gratuity should be something that is earned and not automatic. It should reflect the degree of service, attention to your needs and the personal attitude displayed toward your group. Therefore, a gratuity does not lend itself to a standardized amount and IS NOT INCLUDED IN THE PACKAGE PRICE.***

However, as an average and varying with your experience, you may wish to consider a gratuity of \$3.00 per person for the tour guide (if applicable) and \$2.00 per person for the driver.**
